

Meeting  
Sectie Wetenschappelijk Onderzoek

**Datablitz instructions**

**Language**

The official language of oral presentations is English.

**Datablitz**

Each participant of the datablitz session is expected to prepare a short (**3 minutes**) presentation. The blitz presentation will proceed in the order noted in the program book (will be send later).

**Abstracts**

All presenters are requested to submit an abstract (in MS Word-format) for the program book to [e.a.vanvliet@uva.nl](mailto:e.a.vanvliet@uva.nl) Layout of the abstracts should be as follows: title, authors, affiliations, abstract (not exceeding 300 words) and the presenters name, phone and email. The abstract should state briefly the aim of the research, methods, the principal results and major conclusions (see following example).

**Deadline for abstract submission is 27 August 2021.**

**The influence of exercise on functional recovery of spinal cord-injured rats**

**K.N. Aaq<sup>1</sup>, J. de Wit<sup>2</sup>, J.A. van Accord<sup>3</sup>**

<sup>1</sup>Dept of Neuroregeneration, Univ of Leiden, Leiden

<sup>2</sup>Orthopedic Clinic, AZL, Leiden,

<sup>3</sup>Dept of Anatomy, Free University, Brussels, Belgium

**Aim:**

**Methods:**

**Results:**

**Conclusions:**

text should not exceed 300 words
